

# vogue™ Classic Series - Pillar Pedestal Cover

## Assembly Instructions

1 These instructions assume that you have already properly installed the vital™ Cluster Box Unit (CBU). If the CBU has not yet been installed, please refer to the instructions that came with the vital™ CBU.

2 For all CBU Types: Slide the pedestal base cover around the pedestal (pedestal cover base opening should be installed to the back of the CBU unit). Install pedestal base cover using #8 flat head self tapping screws.

3 Attach the pillar pedestal cover onto the CBU post as shown using four of the #10 pan head self tapping screws.

4 After the pillar pedestal cover is installed, slide cover plates over the top of the pedestal cover. Dimples found on cover plates should face up. Tabs on the cover plates should engage with the tops of pillar pedestal covers.

\* CBU UNIT NOT SHOWN FOR CLARITY.
